

iPET Network Level 3 Award in Canine Emergency First Aid

Number 603/5953/5

iPET Network are proud to have developed the **FIRST** regulated Canine Emergency First Aid in the Animal Care and Veterinary Science sector.

The iPET Network Level 3 Award in Canine Emergency First Aid is perfect for owners and professionals alike who want to be prepared should a pet need emergency treatment. The qualification covers the most commonly faced canine needs such as how to treat injury, dressing wounds, allergic reactions, stings, poisoning, choking, seizures, CPR, hypothermia and much more.

The qualification is an excellent balance of theoretical and practical learning to ensure Candidates have the knowledge required should they ever be faced with an emergency first aid situation.

This qualification is valid for 3 years before requiring a refresher training day.

Discounts available for group bookings.
